

Wonderfully Made
FOUNDATION

Adopt -A- Room

Wonderfully Made Homeless Homes are now offering opportunities to sponsor individual rooms within both shelter sites as part of our “Adopt-a-Room” program. Each room has been carefully named with name plaques that include both the room name and the italicized tag line behind the name as indicated down below.

By sponsoring a room, you are making a clear statement to the community and to our residents that you are personally committed to providing for women and children experiencing homelessness at this point in their lives.

The sponsorship funds that you provide go directly to our shelters and help to offset costs for utilities, operations, and services provided to the residents served in each room. On top of providing the sponsorship funds, we encourage each of our sponsors to take a tour of the Wonderfully Made Homeless Homes, to see the room that they have personally adopted, and to get personally involved with the families that stay in their room. We encourage you to come in with your co-workers or family, get to know our women, and improve your sponsored room with new bedding, new paint, new art, etc. This is such an amazing and unique opportunity to make the room more welcoming for our ladies and their children, and will be such a beautiful experience for you and yours.

When you sponsor a room, your sponsorship plaque will hang in unison with the room name plaque. Your sponsorship plaque will state your name or your company/organization's name as the room sponsor and whether or not you are honoring or remembering someone with your sponsorship. Each room sponsorship package is priced below, and all sponsorships are for one year terms (room sponsors will have the opportunity to recommit their annual sponsorship before the rooms are released to the community at the end of their current year term).

Sponsorship Opportunities
